REMARKS

Reconsideration of the application is requested.

Applicants thank the Examiner for the phone interview of March 5, 2004, during which the above-identified amendment was discussed. Applicants understanding is that claim 8 would be allowable if these amendments are entered. Accordingly, entry of the amendment and an indication that claim 8 contains allowable subject matter is respectfully requested.

In the event there are any remaining informalities, the courtesy of a telephone call to the undersigned attorney would be appreciated.

Respectfully submitted,

JAMES E. DOYLE ET AL.
